

Next Generation Network

A networking network

Ian Wakeman (Sussex) and Morris
Sloman, Ian Marshall, David
Hutchison, George Pavlou, Ian Pratt,
Jon Crowcroft, Saleem Bhatti, Mark
Handley, Lionel Sacks, Chris Cooper,
Joe Sventek, Dave De Roure

Objectives

- Run two workshops per year
 - One workshop is the continuation of Coseners MultiServices Network workshop (July)
 - The other workshop is to support the EPSRC Programmable Networks program (December 15/16, Brighton)
- Act as conduit and facilitator for collaboration

Mechanisms

- Mailing lists (ngn@jiscmail.ac.uk)
- Website (to be www.ngn.ac.uk, currently <http://www.cogs.susx.ac.uk/users/ianw/ngn.html>)
- Identification of groups of individuals who are willing to act as experts eg PlanetLab
- Steering committee to help in matchmaking
- Continuation through industrial backing
